AVAILABLE AUGUST 2016

KRT653004 HIGH QUALITY TOOL CABINET

Nothing so simple as using a tool cabinet that is already filled with the most important hand tools and accessories. It contains various spanners, wrenches, screwdrivers, sockets, pliers, screws,... You have everything right at hand and can start working immediately.

The rolling tool cabinet itself has an EVA liner work top and a seven drawer wide storage chest. The 3 top drawers hold all included tools and accessories perfectly in place. The 4 bottom drawers with EVA liner are for you to fill with all your other tools.

The 2 stationary and 2 swivel casters make it very easy to move the tool cabinet. You can also lock the cabinet so no drawers will open during transport. And if you happen to lose the key, a second one is provided.
